MARCH 2017

Hope this finds everyone sober and healthy and enjoying our mild winter so far. The Spring thaw was quite nice.

This Month is the third Step Month and the Third Tradition Month. Who is it that got us sober and keeps us Sober?

My name is Alcoholic, and I am grateful to be one. If I participate in my recovery, life is beautiful, it is fun. I have to remember that I am not the one in control, it is my higher power that is in control.

He has kept me alive for his purpose in spite of myself and my EGO. If I participate in my Group and in AA as much as I possibly can, my life is enjoyable. I will be cured of my disease only when they close the coffin lid on my face. I will make some mistakes as all Humans do but now I can work to correct them without trying to drown them. I enjoy my life and my sobriety as long as I participate in living sober. I enjoy my service in AA one day at a time. Thank You for My sobriety. John N.
