APRIL 2017

Welcome to SPRING, Hope everyone has had a wonderful winter, it was fairly mild with its ups and downs but it is over we hope.

This is the 4th month and is the 4th Step and 4th Tradition. Step 4 is , Made a searching and fearless inventory of ourselves. That means Honesty and willingness

Tradition 4 is, Each group should be autonomous except in matters affecting other groups or A.A. as a whole, meaning that Group functions are governed by group conscience.

We still have committee positions that are open and need to be filled, please help .

Something to think about, the nominations are going to be held in August for various positions, with the elections in September.
