### **Note from Author:**

Fellow drunks, I am reminded today of the character defects I have, am I now willing to have them removed? Anger, self-pity, & self-sufficiency have become problematic in my life today, actually they have always been a problem. How am I to change? I am reminded today that I am not alone, actually I never have been alone. I do not have to reflect on my character defects alone, I have friends in the rooms of AA to help me. I have God always ready to cloak me in His loving presence. Today I will view my character defects and weigh the scales or I could just look at my 4<sup>th</sup> step. Hopefully this will prepare me to ask God to remove from my being of every single character defect that stands in the way of my usefulness to you and Him, and if not today than in His time.
