No Matter What: Dealing With Adversity in Sobriety – GV31

All recovering alcoholics have had to deal with adversity throughout sobriety...a serious illness, an ugly divorce, the death of a child, the loss of a house to fire or to the bank. Despite the fear, pain or self-pity we are in when these tragedies strike, drinking is not an option. The stories in this book show how AA members use the tools of the program and embrace the Fellowship to deal with tough issues. **Only \$10.99**
